## COMMERCIAL REPRINTS

### PUBLISH STRAIGHT TO YOUR MARKET

As a service to the commercial market we are able to offer you the opportunity to purchase **Commercial Reprints** enabling you to publish straight to your market.

Bulk reprints of a paper relating to your products or services can provide:

- *a valuable tool* for communicating with your prospective clients via direct mailings, exhibition distribution or for use in product information releases
- *an instructive means* of informing scientists of the applications of your products
- *an educational medium* for assisting prospective buyers in understanding the full benefits of your product
- *a valuable source* of information for your customers at the same time as increasing their awareness of your name

We are able to repackage papers for you to include company logos, advertising or further product information.

Any of the papers in this journal can be reprinted for your own commercial use. For more information please contact the address below.
